WHO KILLED DANNY RAY ALEXANDER?

Danny Ray Alexander
December 6, 1971 - April 10, 2007

**Person of Interest - Hispanic Male, 5'6" tall,
150-165 lbs, close-cropped hair with receding hairline**

35-year-old Danny Ray Alexander was shot to death at the Poppa Burger restaurant at 1622 North Main about 10:45 p.m. Tuesday, April 10, 2007 after a woman with Danny exchanged words with a Hispanic male who picked up his order and then left in a burgundy extended-cab pickup truck with chrome rims, followed by a woman driving a small dark-colored 4-door compact car.

When Danny and his friend went around back to the restroom moments later, witnesses heard gunshots, and Danny ran back to the service window, seeking help. He had been shot in the back, and died later that night. Witnesses saw a burgundy extended-cab pickup truck leaving the corner of Freeman Street and Harrington after the shots were fired. Investigators are seeking information on the Hispanic male who drove the burgundy truck away from the Poppa Burger after exchanging words with Danny Alexander's female companion.

Crime Stoppers will pay up to \$5,000 for information leading to the identification, arrest and charging of any suspect(s) in this case. Anyone with information on this case or on the unidentified Hispanic male person of interest is urged to call Crime Stoppers at 713-222-8477. All callers remain anonymous.
