WHO MURDERED FRANK HAWKINS?

Frank Hawkins

January 16, 1954 - September 3, 2008

When 54-year-old Frank Hawkins failed to show up for work Wednesday September 3, 2008, concerned co-workers called the leasing office at his apartment complex at 8500 Broadway. Employees there found Mr. Hawkins' body in his apartment at 3:10 p.m., where he had died of multiple stab wounds. Additionally, his 32 inch high-definition television and his 2005 Mercury Sable were missing as well. The vehicle was recovered later in the parking lot of a nearby 99-Cent Only Store parking lot.

The television is described as a 32" Toshiba LCD HDTV, model # 32AV500U. Investigators are asking that anyone who saw someone carrying such a television in the apartment complex that afternoon call Crime Stoppers.

Crime Stoppers will pay up to \$5,000 for information called in to the 713-222-8477 tips hotline that leads to the identification, arrest and charging of any suspect in this case. All callers remain anonymous.
