## Who Murdered German Hernandez?

On Thursday, August 23, 2007, at approximately 12:50 a.m., 28-year-old German Hernandez and two friends stopped at the Shell station at 5803 Fondren @ Harwin. While the driver went in to buy some beer, Mr. Hernandez and the other friend became involved in a disagreement started by two Hispanic males who were finishing putting gas in their older model green pickup truck. They had allegedly shown hand signs and weapons to Mr. Hernandez and his friend as well. When the driver exited the store with his beer, Mr. Hernandez told him of the incident. They went over to talk to the men, who were sitting in their truck preparing to leave. Seeing Mr. Hernandez and his friends approaching, they jumped out and began firing automatic pistols. German Hernandez suffered multiple wounds to his body. He was taken to Ben Taub Hospital, where he died at 3:43 p.m. Thursday, September 13, 2007 of complications from his wounds.

The suspects in the green truck are described as Hispanic males in their 20s, about 5'6" tall, 170-180 pounds, wearing western-style clothes and baseball caps with their hair tied back in a ponytail.

Crime Stoppers will pay up to \$5,000 for information called in to the 713-222-8477 tips hotline that leads to the identification, arrest and charging of any suspect in this case. All callers remain anonymous.
