## WHO MURDERED SCOTT RYAN STORY?

Sometime after midnight August 13, 2005, 26-year-old Scott Story was driving in the 6800 block of Sands Point in southwest Houston when he was flagged down by a Hispanic female asking for help. As they sat talking, three suspects described only as young black males ran up and tried to open the doors to Scott's vehicle. One then pulled a gun and shot Scott in the head. Scott sped away, but crashed into a fence shortly thereafter. The female jumped out of Scott's vehicle and fled the scene with the three suspects. Scott died the following day at Ben Taub Hospital.
