SERIAL BANK ROBBER BRINGS ACCOMPLICES!

The Houston FBI Bank Robbery Task Force is seeking the public's assistance in identifying serial bank robber and the accomplices who helped him pull off his latest heist. The latest robbery occurred at the Bank of America located at 22617 Tomball Parkway in Tomball, Texas on 02/24/2011. Bank surveillance video captured photos of the serial robber and the accomplice he brought inside the bank.

At approximately 2:54p.m., two men entered the bank. One approached the teller counter and asked for a deposit slip, then walked away. The other walked up to the same teller and handed her a threatening note which demanded cash. While the teller was removing some cash from the drawer, the other robber walked up to a different teller, and also gave that teller a note which demanded money. Both got away with some cash. They were seen fleeing in a mid-2000 year black Chevrolet Impala driven by a third suspect. No one was physically hurt during the robbery.

The first robber is described as a black male in his early 20s, 5'8", with a thin build. He wore a black long-sleeved shirt, dark slacks, a dark beanie hat and sunglasses. The second robber is described as a black male, early 20s, 5'08", with a thin build. He wore a white long-sleeved shirt, dark slacks, and clear glasses with a black frame.

The robber wearing the hat is suspected in at least 7 bank robberies in Harris and Montgomery Counties since November of 2010.

Crime Stoppers is offering up to \$5,000.00 for information leading to the charging and arrest of these robbers. If you have information about this case, please call the Crime Stoppers tip line at 713-222-TIPS (8477), or the Houston office of the FBI at 713-693-5000.
